

Coventry University London Campus Progression – London College of Computing and Management Sciences

- 1) Coventry University London Campus progression route open to all students who successfully complete the ABE qualification, as follows
 - a) Level 6 Advanced Diplomas in Business Management, Marketing and Financial Management will grant access to the CULC top-up in Global Business. LCCMS students progressing to BA Global Business course will be entitled to a LCCMS scholarship amounting to £3060. With this scholarship in place LCCMS students will only pay £6500 for their final top up year culminating in BA (Hons) Global Business. There are two intakes a year for this Course – September and January.

and
 - b) Level 7 Postgraduate Diploma in Business Management will grant access to the CULC MBAs. LCCMS students progressing to the MBA programmes will be entitled to a LCCMS scholarship amounting to £5000. With this scholarship in place LCCMS students will only pay £7500* culminating in an MBA. CULC has four intakes a year for the MBA; students would be able to join at any intake.
- 2) There will be no Accreditation of Prior Learning for the Top-up, but 60 credits (4 core modules) APL will be given for the Postgraduate Diploma. Students will therefore enter the MBA in term 2.

*Includes APL discount.
